

Rural Scholars

Early Learning Centre

For children 0 – 6 years

Dear Parent

We have a website – www.ruralscholars.co.nz on which we like to show examples of the children’s activities and work. We also publish a regular Newsletter - with updates on our events and activities and like to include photographs of the Rural Scholar’s children and their work.

We feel that these are lovely ways to show friends and families of the children what they having been doing here at Rural Scholars.

We are however aware that some people may feel unsure or uneasy about having their child’s picture or work published in our newsletter and on our website.

In line with the Ministry of Education’s Guidelines for the Online Publishing of Children’s work:

- Photos will be taken at a distance; no portrait photographs will be used.
- No child’s name will be used.

Can you please fill in and return the permission slip below to your child’s teacher.

If you have any concerns or would like more information please feel free to talk to one of the teachers.

Thank you
